REBUL ACADEMY

LEARNED, MISSISSIPPI

Time is an infinite and necessary part of human life. It had no beginning and will have no end. Even eternity is made up of time. The poet says that time is man's worst enemy but to Rebul Academy's students, time is a dear friend; for although there is a time to begin school, there is also a time to end it; without the latter there would be very few happy pupils. Each day is made up of separate pieces of time. Some are good times; some are not, but each is a new and exciting moment. Life at Rebul Academy is always changing, maybe never a drastic change, but still a change. Rebul Academy was born only six years ago and it hasn't had a great deal of time to grow in, but ahead of it stretches a future of limitless possibilities. Now, and always, is the time for the students and patrons of Rebul Academy to feel gratitude. A time to be grateful for the dedication of the administration, for the hard work of the students, and most importantly, for the love of the founding parents which made the dream of Rebul Academy a reality. May today and all other days be the time for the friends and believers of Rebul Academy to work to make it a reality for its future generations of students.

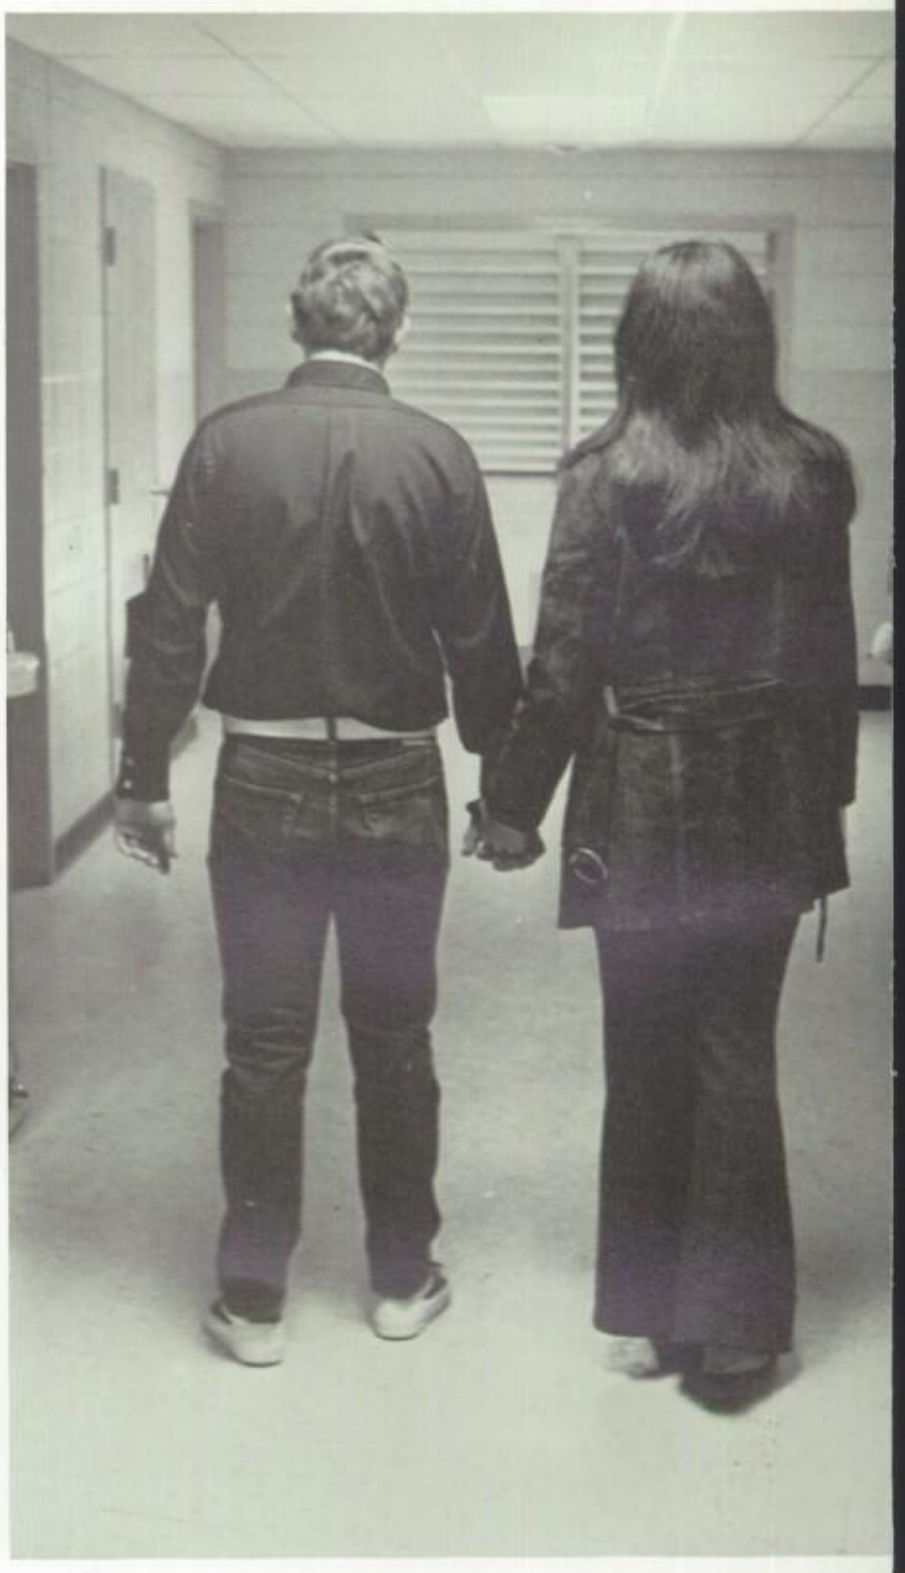
A TIME OF HAPPINESS . . .

"Happiness is not in circumstances but in ourselves. It is not something we see, like a rainbow, or feel, like the heat of the fire. Happiness is something we are."

—John Sheerin

A TIME OF TOGETHERNESS . . .

"United we stand. Divided we fall.
And if our back should ever
Be against the wall, we'll be together–
Together you and I."–The First Edition

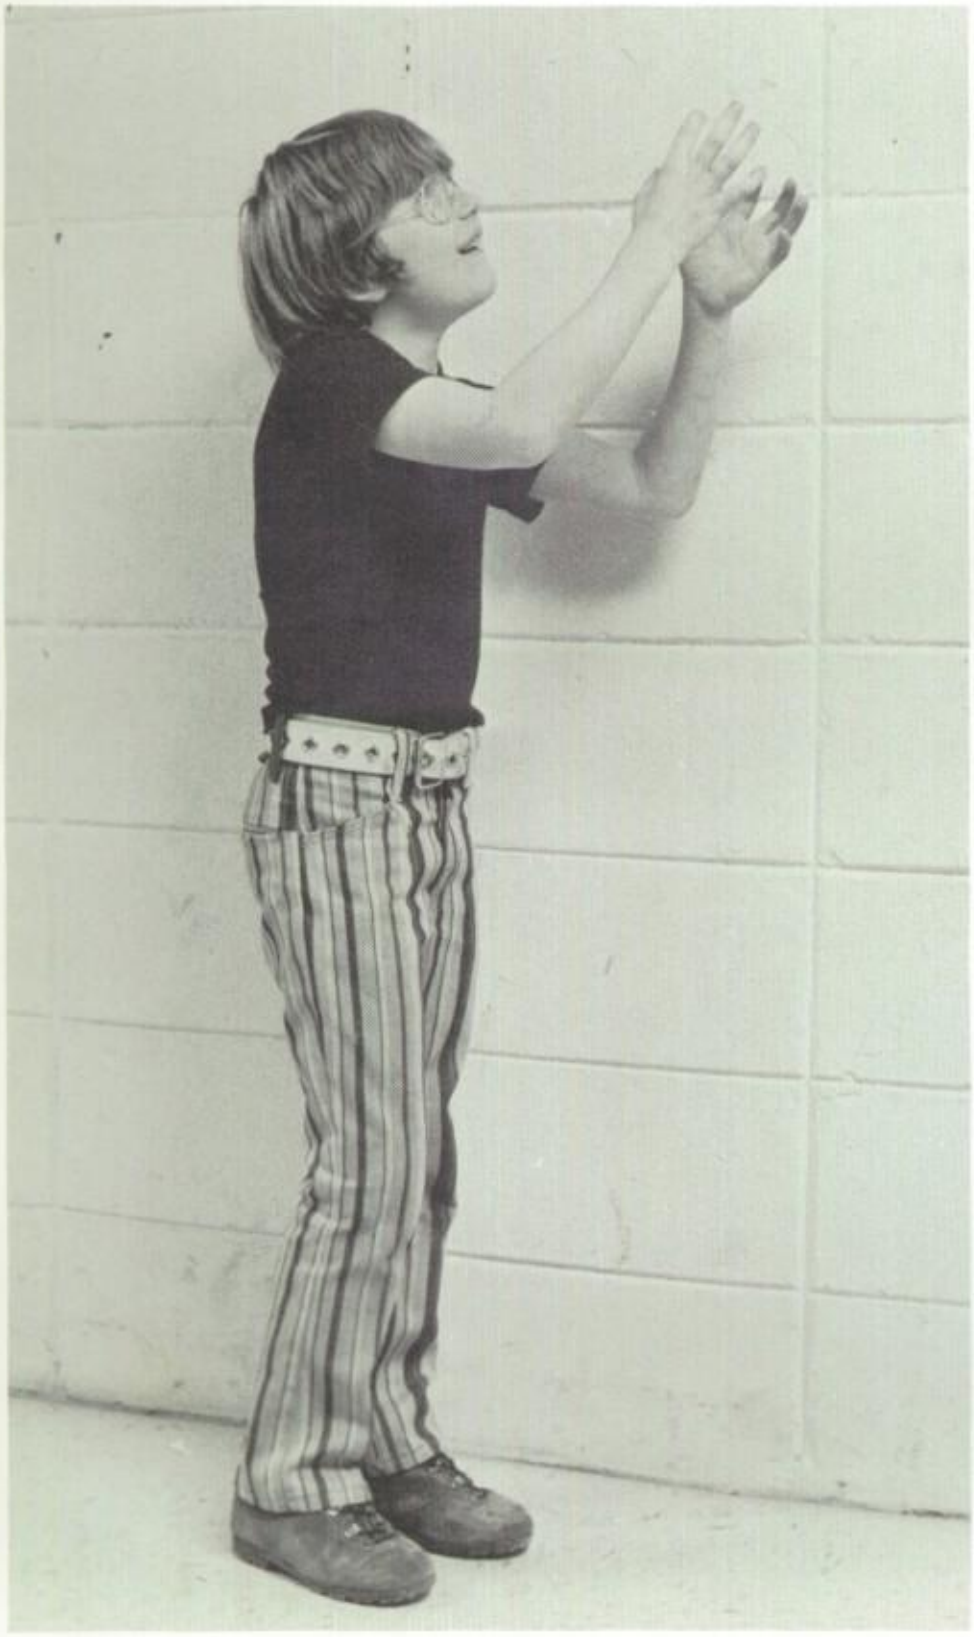


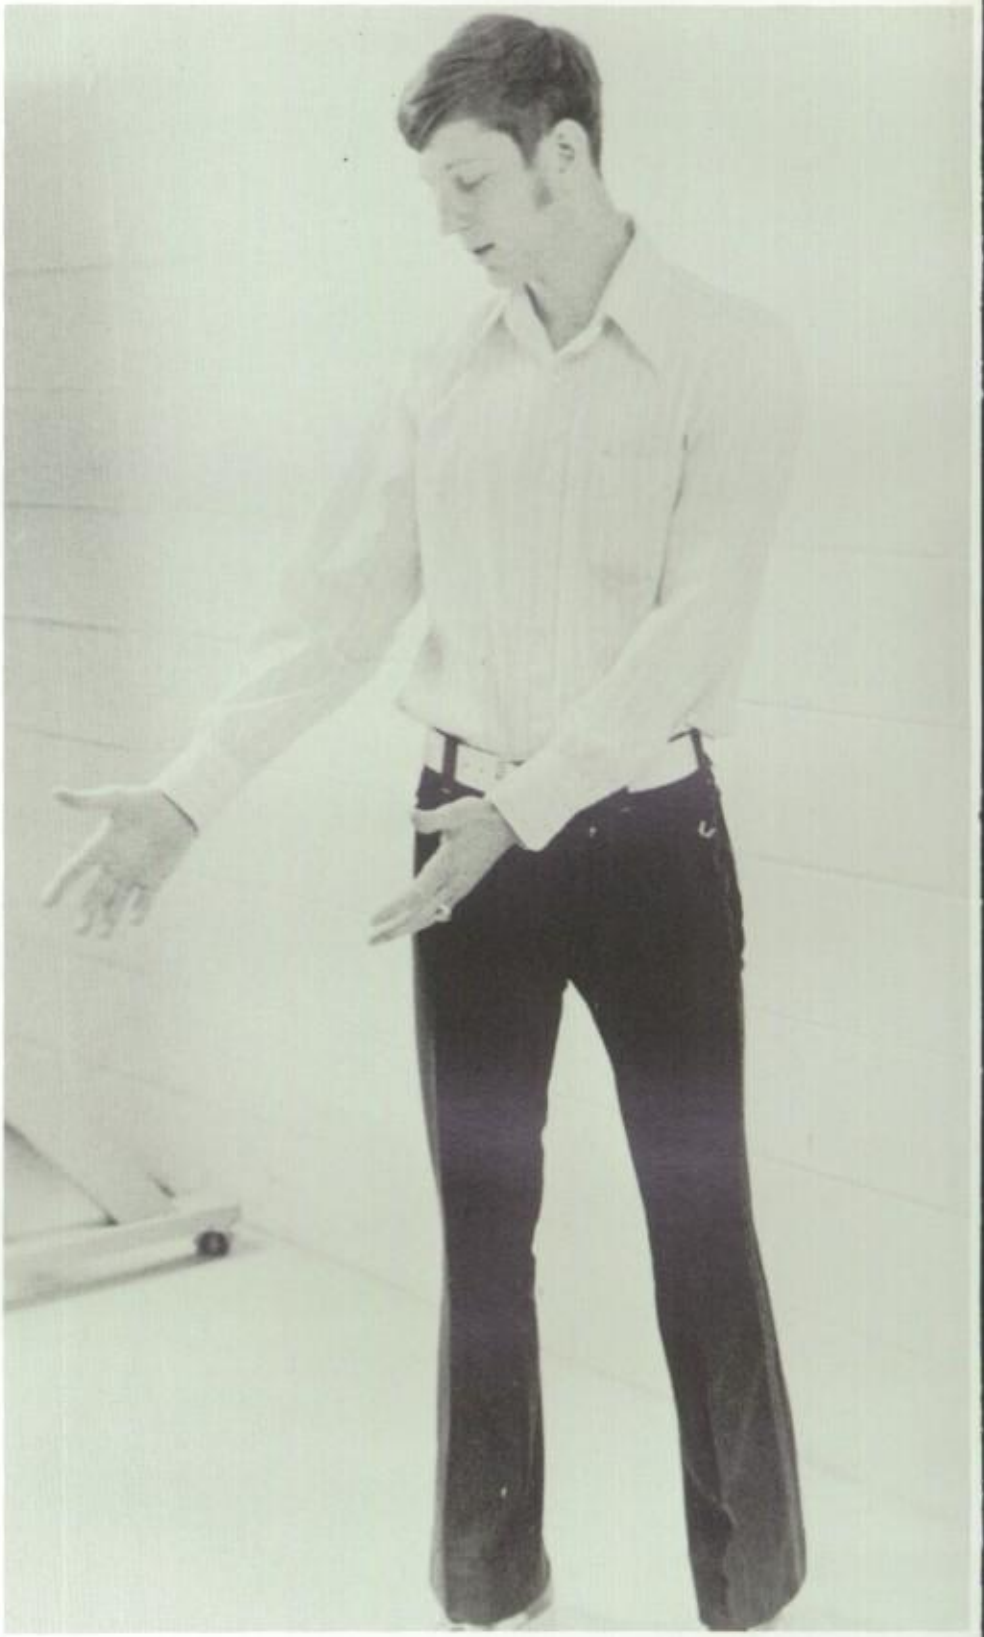
A TIME OF LEARNING . . .

"Study to shew thyself approved unto God,
a workman that needeth not to be ashamed,
rightly dividing the word of truth."—II Timothy 2:15

A TIME OF REACHING OUT . . .

"I shall pass through this world but once. Any good therefore that I can do or any kindness that I can show to any human being, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."–Stephen Grellet





A TIME OF DREAMING

ABOUT TOMORROW AND YESTERDAY . . .

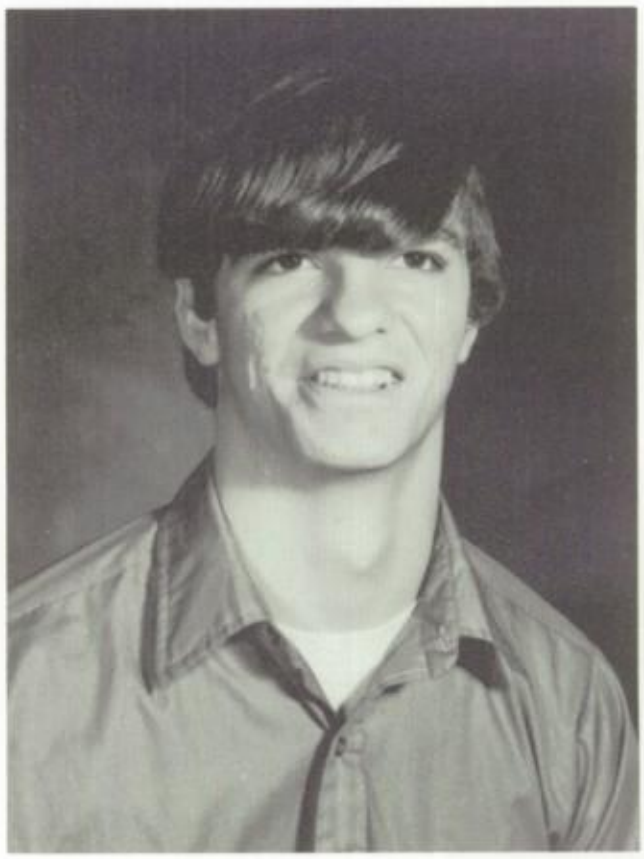
"Tomorrow, and tomorrow, and tomorrow,
Creeps in this petty pace from day to day
To the last syllable of recorded time
And all our yesterdays have lighted fool's
The way to dusty death."— Shakespeare

"To live well we must have faith fit to live by, a self fit to live with, and a work or cause fit to live for."—Joseph Fort Newton

"Jesus Christ the same yesterday, and to day, and for ever."—Hebrews 13:8

A TIME OF SADNESS . . .

IN MEMORIUM



Emmette Pittman

The silent dark skies,
The sun will no longer brighten.
He is gone,
Never to return.
We may no longer hear
The laughter of his voice,
The echo of his footfalls; or see
The shadow of his frame; or feel
The gentleness of his strength.
He is gone
Where the harshness of men
Can no longer harm him.
His chair is empty,
And we shall miss him,
But he shall remain forever
As a happy memory.

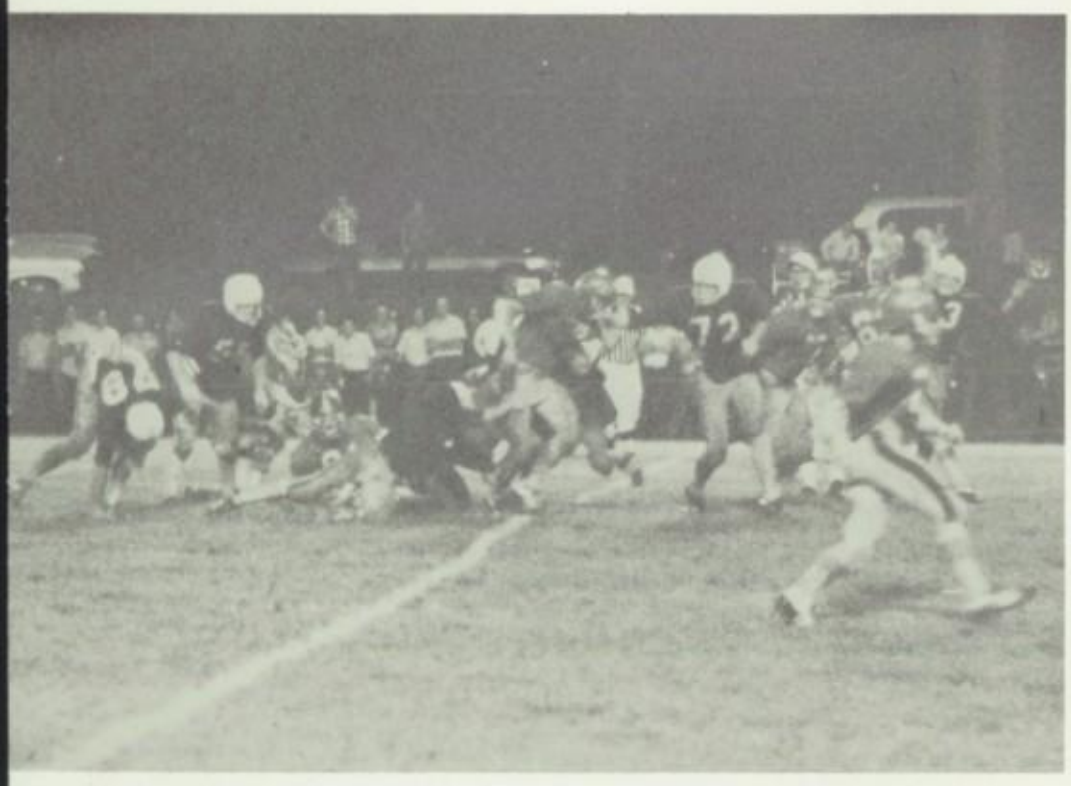
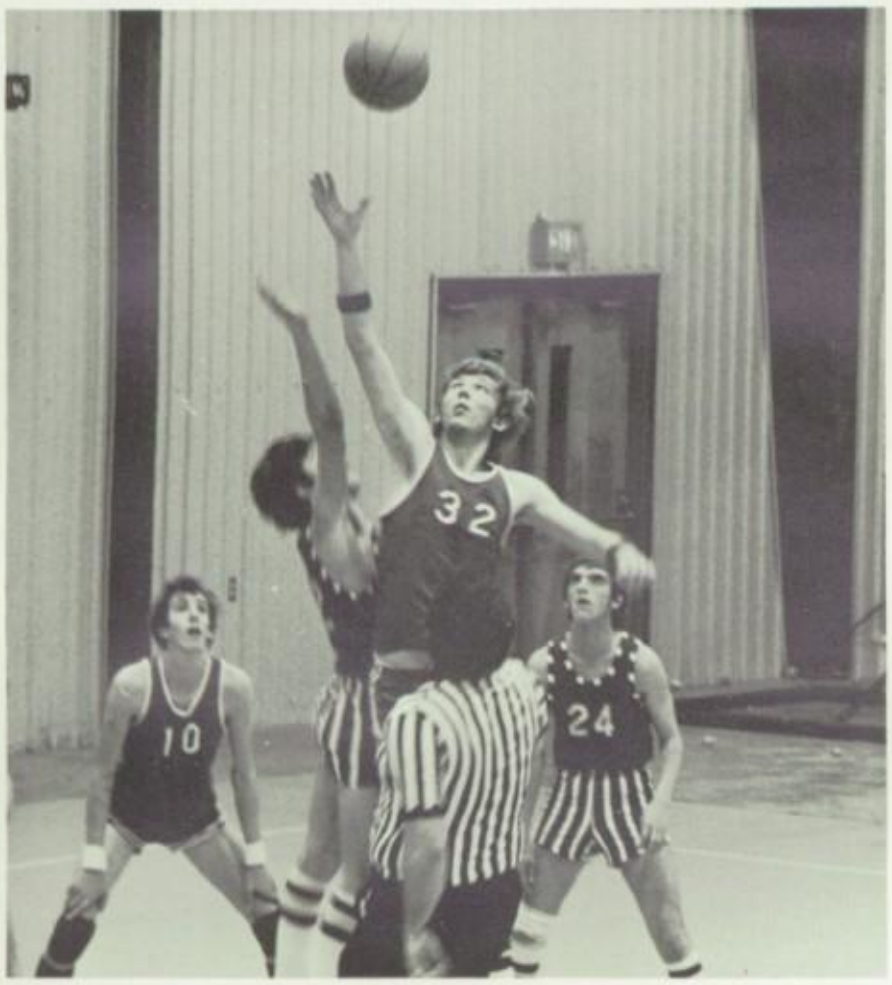
ATHLETIC ABILITY OF YOUNG TEAMS



SUPRISES OPPONENTS

The Rebul Raiders had a very successful 1972 season. They finished their regular season play with an undefeated record of 8-0-1 and were champions in the Western Division of the South Central A Conference. They played Heidelberg for the championship in their Conference and although they fought hard, they lost the game. The Raiders were invited to Terry for the Terry Lions Bowl game where they once again overpowered the Terry Patriots. They finished their season with a 9-1-1 record and placed four boys on the All-Conference Team. Monty Montgomery, Cooter Ellis, and Jeff Montgomery made both the offensive and defensive teams and Sidney Mathes made the defensive team. Monty Montgomery was also named Most Valuable Back in the conference. The Raiders' season was complete when Coach Kinslow was named Coach of the Year in their division.



The Raider basketball boys won fifteen of their twenty-three games and played in two tournaments. They defeated Citizen's School and Council #5 to become runner-up in the Cougar Classic. They beat Union, yet lost to Woodland Hills in the Sub-District Tournament. They were also runner-up in this tournament. Their outstanding playing earned them two beautiful trophies which were added to Rebul Academy's growing trophy case. Two of the team's players, Robert Krichbaum and Barry Boyd, were named to the All-Conference Team. Robert Krichbaum also made the All-District Team.

The Raiderettes lost many valuable players from last year, and began this year without a single senior on the team. They started off their season with a victory over Terry Academy and later on in the year had two impressive wins over Union. The girls fought well and were much better than their record showed. They are working hard on their next year's team, which they hope will be a winning one.

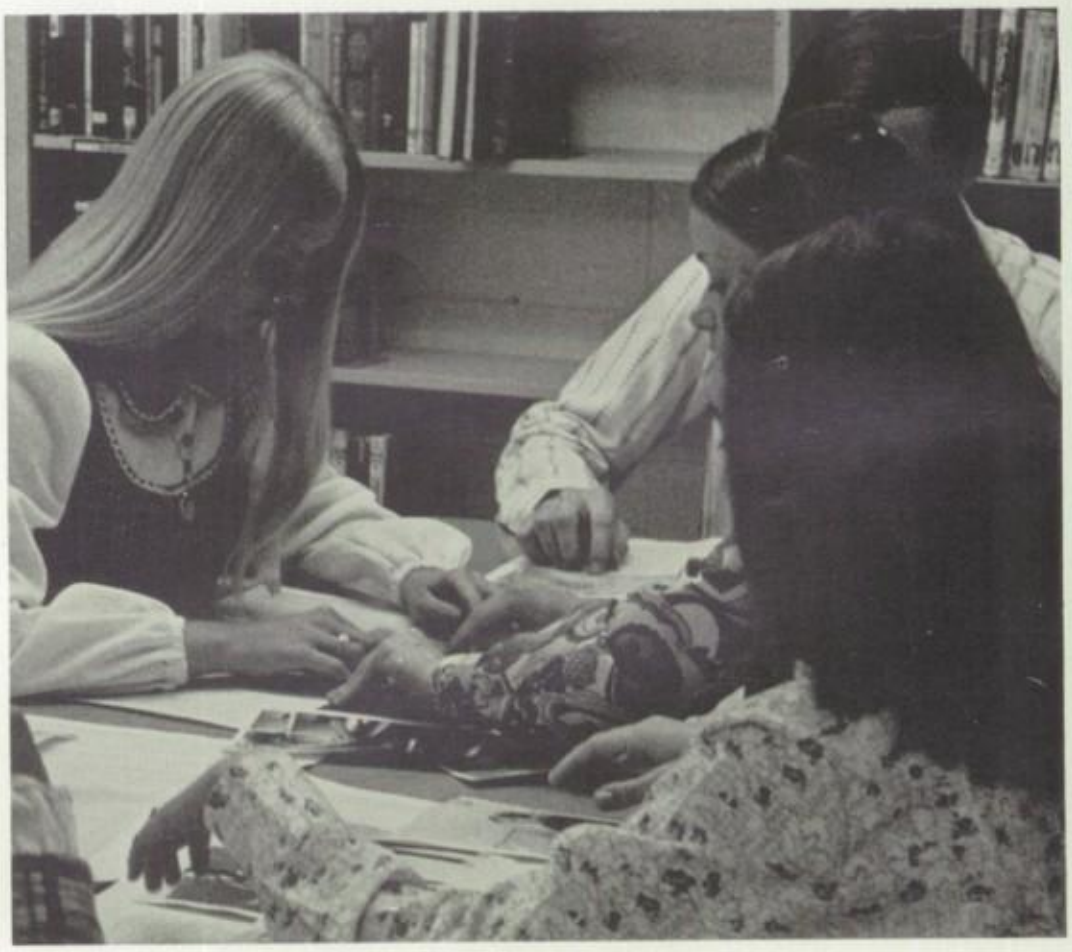
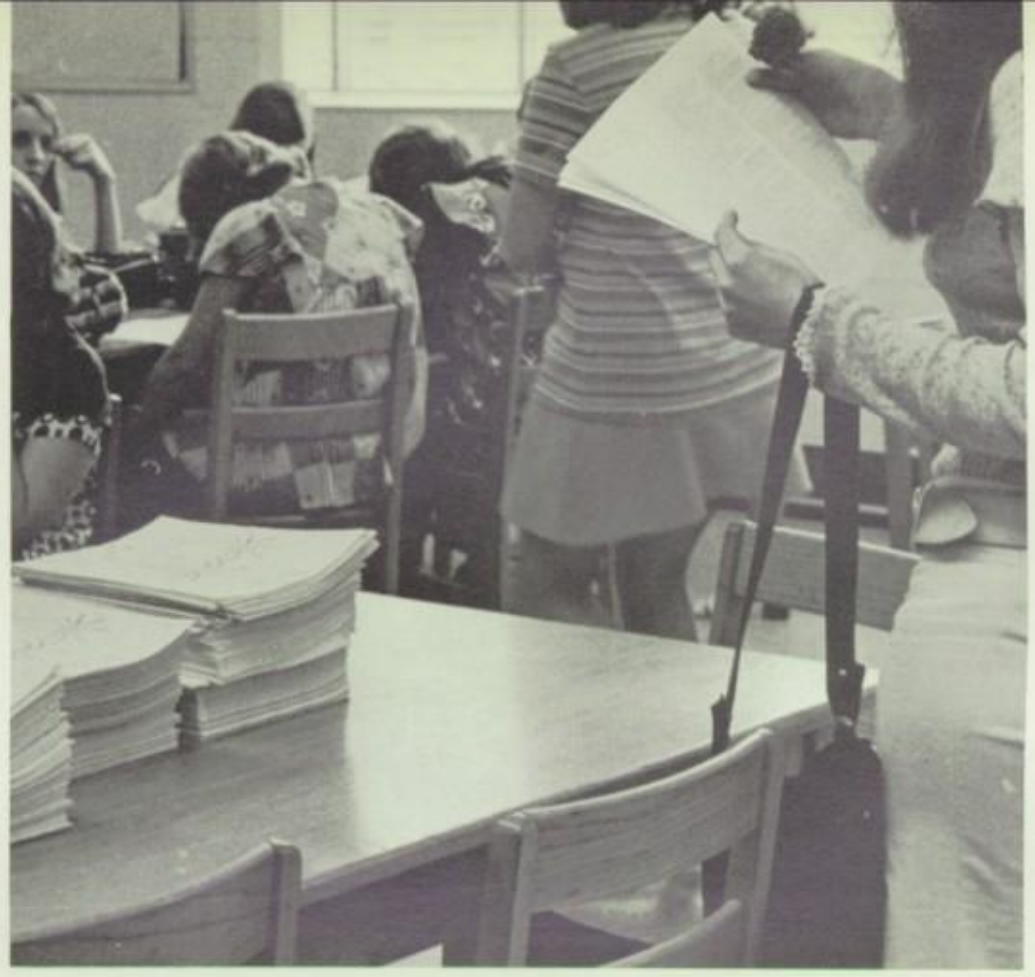
1973 RESUME' STAFF

The *Resume'* Staff worked hard this year, as always, and finally finished the planning of their yearbook. They sponsored the Who's Who elections, the talent show, and the Belle and Beau pageant. They hope the finished project will meet with the satisfaction of all who encounter it.



A few staff members gather for layout designing.



Student Body pores over latest edition of Review.

The *Rebul Review* survived another year and provided up to date news for the students at Rebul. Each month a new edition was placed in the hands of the R.A. teachers, and students. Several new features such as color covers were added this year. These new features aided the paper in winning four literary awards.

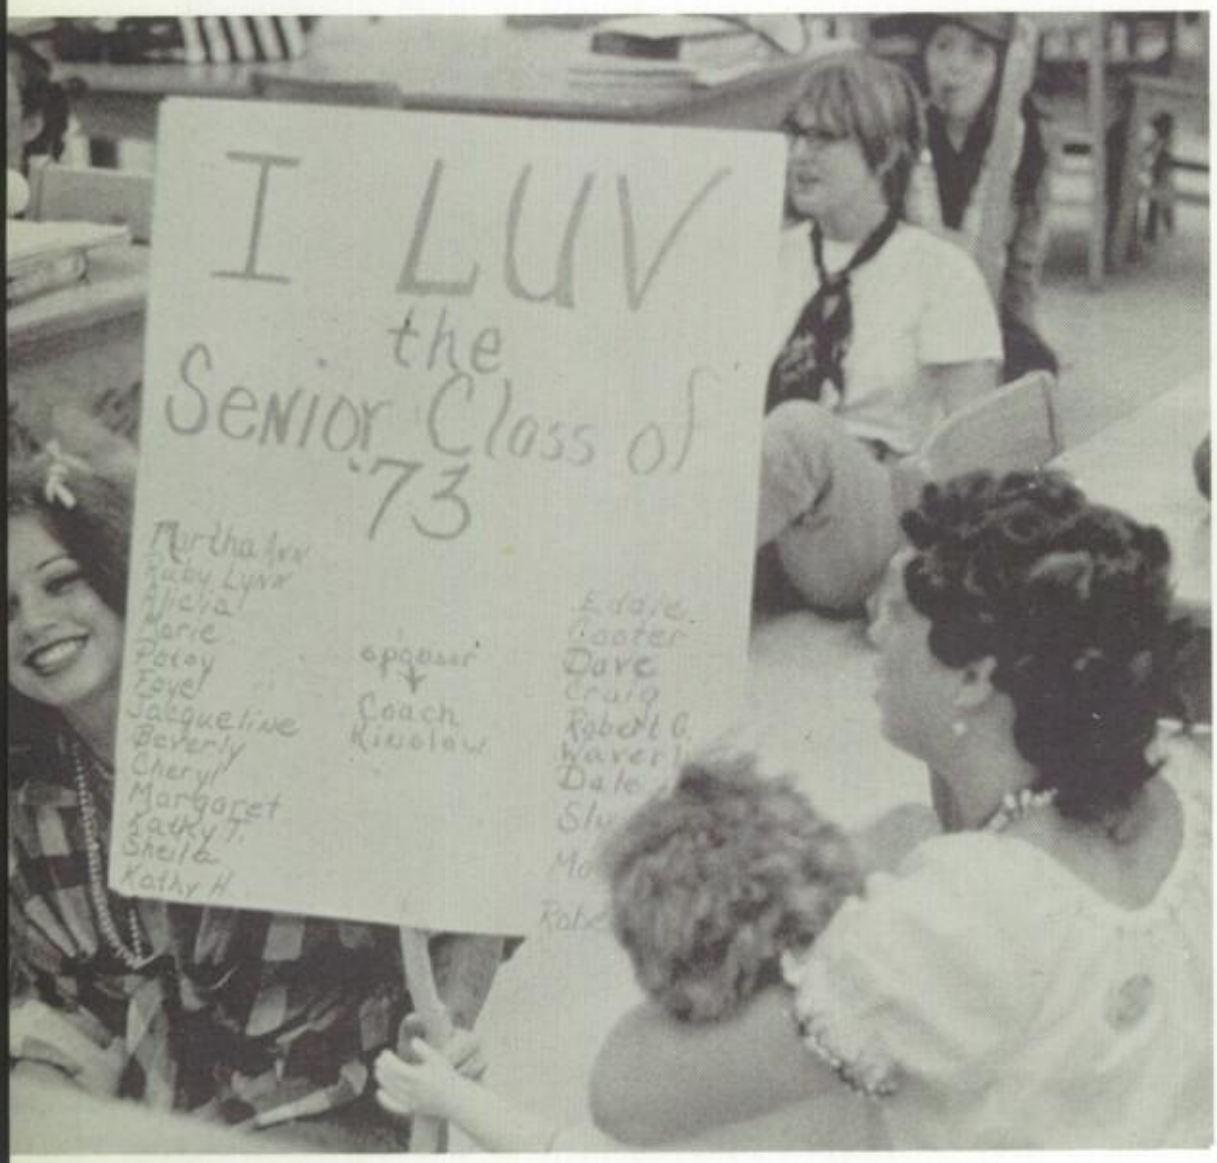
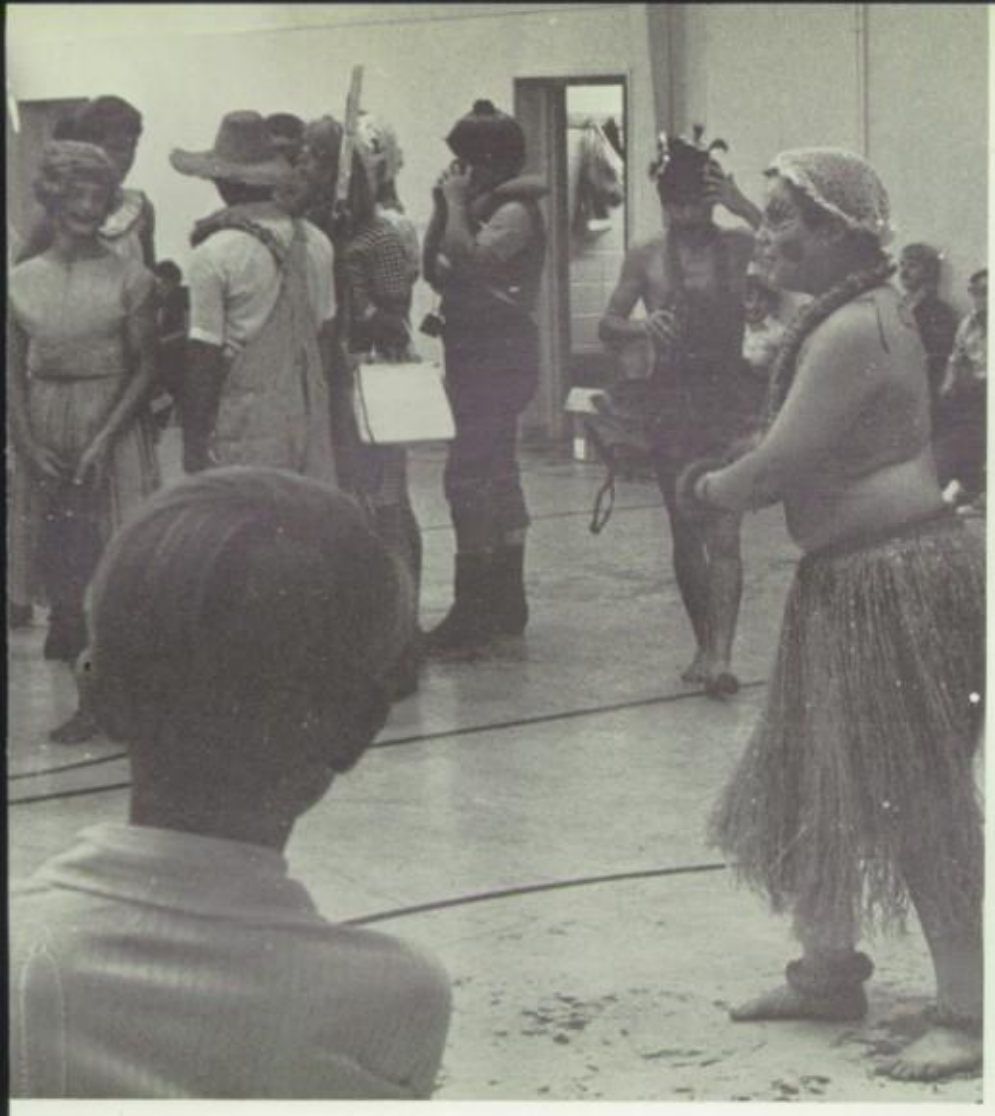
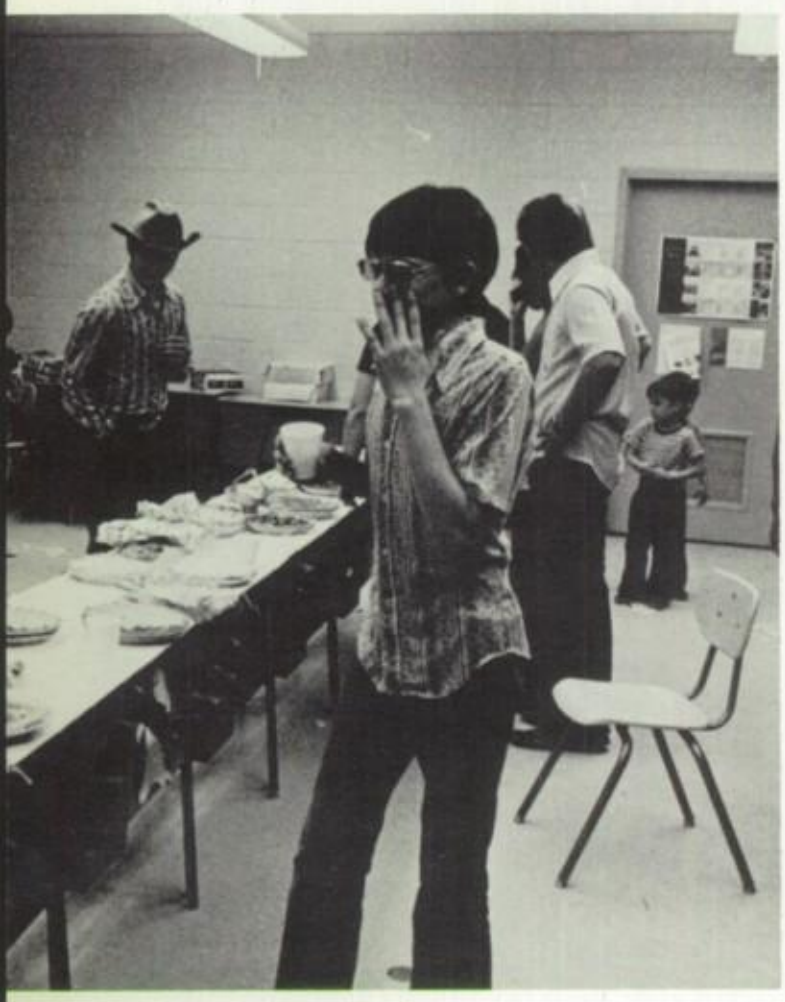
FRESHMAN DAY





Freshman Day was one of the most exciting days of the year, especially for the Seniors. Some Freshmen enjoyed Gerber baby food for dinner. They entertained everyone by pushing a peanut across the gym floor with their noses. The proud winners of Freshman Day were John David Ware and Miriam Bell. They were each given a chocolate pie—in the face.

HALLOWEEN CARNIVAL



Now which one did Mom put the five dollars in?

Another big event of the year was the Halloween Carnival. Everyone enjoyed the pie walk, cake walk, sponge throw, and many other fun contests. There were lots of homemade goodies at the bazaars. The carnival helped Rebul financially.

Please, please let me win this cake!

THE TOM THUMB WEDDING

I've got the rings so why don't we get married?

The Tom Thumb Wedding, sponsored by the Beta Club, was immensely by all who could attend. Despite the rainy weather a large crowd of over 300 appeared. The first grade class favorites, Patricia Bufkin and Will Smathers, were chosen as the bride and groom. The wedding party consisted of preschoolers. The preacher was David Dooley, a second grader. Members of the first, second, and third grade classes were wedding guests representing the faculty at Rebul.

Wonder if she can cook?

Gosh! she's holding my hand!

TALENT SHOW

Everyone who wanted to was given the opportunity to perform at the talent show sponsored by the Annual Staff. Trophies were awarded to Elizabeth Kuiper in the Elementary division and Missy Kendrick in the Jr. High–High School division.

ADVENTURES IN PARADISE

The 1972-73 Junior-Senior Prom was held at Brookwood Country Club. The Juniors worked hard all year making money to give the Seniors a night they would remember. The theme was "Adventures in Paradise." A huge net filled with balloons hung from the ceiling. The tables were decorated with pineapples. For lead-out the Seniors and their escorts walked through a straw hut.

THE

BARBEQUE

The annual chicken barbeque was a treat for everyone. A lot of hard work was required of the auxiliary and members of Rebul Academy to make the evening possible and profitable, which it was.

Marie Acuff who we thought was so quiet, got a job on Bourbon Street and started a riot.

Patsy Barnes, who talked so fast, wore out her tongue. We knew it couldn't last!!

Waverly Butts, that tall silent type, became a ballet dancer when his talents were ripe.

Ruby Lynn Carter from a number of courses, chose a profession to aid tired horses.

Faye Clements with beauty so rare, is running a Boutique with such a flair.

Patsy Barnes wills her flirty way, to Louanne Woodard to use in next year's Senior play.

It has been said that nothing can be accomplished without hard work and this year's *Resumé* staff has realized the value of that statement. After many agonizing hours, which extended even into the summer days, of proportioning pictures, designing layouts, and counting picas, the *Resumé* was completed. The staff worked very diligently and I would like to thank them not only for their work but for the many wonderful ideas they used to help make the 1973 *Resumé* one of the best. The critics and judges of the 1973 *Resumé* will be you, its audience of readers. It is hoped that everything or almost everything will meet with your approval for after all it was designed and created with you in mind.

This record of the 1972-73 school year is ended, but time itself will never end. The good times of yesterday and the hopeful times of tomorrow will always be with us. For—

Yesterday is but a Dream
And Tomorrow is only a Vision:
But Today, well lived,
Makes every Yesterday
A Dream of Happiness,
And every tomorrow a Vision of Hope.
